Barriers to Reducing Crime Lab

Professor Kang
Life Sciences II, Room 219

We examine reduction of crime, reentry barriers, translation of research to policy and practice, implementation of evidence-based practices, & assessment and rehabilitation in corrections through merging the Risk-Need-Responsivity Model with the socioecological framework to capture populations & factors nested at the individual, interpersonal, community, organizational, and policy levels.

1. Tell us about your interest in obtaining research experience in the Barriers to Reducing Crime Lab.

2. Do you have any previous research experience? If so, please describe it.

3. How much time (hours per week) do you intend to devote to research work this/next semester?

4. Do you want/need credit for your experience?

Yes ◯ OR No ◯

Typically, students work at least 10 hours per week in the laboratory to make the experience meaningful.

5. What is the length of time you plan to spend in our lab? If you enjoy your experiences here, are you willing and able to stay on through the next semester (or more)? Please describe any upcoming academic/personal commitments that may affect your research duties (i.e., education abroad, courses, job/work).

5. How much of your research-work time will occur during normal business hours (i.e., M-F 8-6pm)?

_____Hours of work per week occur during normal business hours

6. Can you work occasionally in the evening or weekend(s)?

7. Which days during the week would you prefer to work (select all that apply)?

- ☐ Monday
- ☐ Tuesday
- ☐ Wednesday
- ☐ Thursday
- ☐ Friday
- ☐ Saturday
- ☐ Sunday

8. What days/times would you PREFER to work and meet next semester?

9. In order to help us schedule lab/research activities, please indicate the times that you CANNOT work or meet for this project/research, using the times and weeks outlined below.

	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
8:00							
9:00							
10:00							
11:00							
12:00							
1:00							
2:00							
3:00							
4:00							
5:00							
6:00							
7:00							
8:00							

10. Do you have any comments? Anything we missed?
